

## Assessment Updates Oasys Client Information

### Updates to My Self Questionnaire and Reports

#### What is it?

We have been working on several updates to the My Self questionnaire and reports.

#### My Self Questionnaire – Responsive Design Format

The candidate experience has been enhanced by a new responsive design format.

The questionnaire has been updated to be optimized across all devices from PC through to mobile handheld.

This update will be available in all currently supported languages from the 9<sup>th</sup> December 2019:

- Chinese (Simplified)
- English
- Portuguese (Brazil)
- Russian
- Spanish (Spain)

#### Additional Changes

##### My Self Careers Guidance Report

The My Self Report has been renamed My Self Careers Guidance Report to better reflect its positioning as a tool of choice for career guidance discussions. This name change will also affect the existing translated reports available in Chinese (simplified), Portuguese (Brazil), Russian and Spanish (Spain).

This change will take effect by the end of January 2020.

##### My Self Entrepreneurial Report

The My Self My Entrepreneurial Profile Summary has been renamed My Self Entrepreneurial Report and now appears on our 2020 price list. This change will take effect by the end of January 2020.

For those of you who are unfamiliar with this report, the My Self Entrepreneurial Report delivers feedback on key areas of entrepreneurial behavior. Based on the Entrecode® model of successful entrepreneurs, the report provides information on the areas relevant to entrepreneurial behavior. The report is currently only available in English only.

#### New Norms

We will be releasing four new norms for the My Self Career Guidance Report and the My Self Entrepreneurial Report. These are:

##### My Self Report:

- Individual Contributors, International, 2019 – new norm
- Professionals & Managers, International, 2019 – superseding the 2009 norm\*

## My Self Entrepreneurial Report:

- Individual Contributors, International, 2019
- Professionals & Managers, International, 2019 – superseding the 2009 norm\*

These norms will be released by the end of January 2020. If you currently use My Self via an integration you will be contacted separately regarding the update.

There are currently no changes scheduled to the My Self Students (2013) norm.

\* Please note that if you are using the Professionals and Managers norm after the new norm is released, the 2009 norm will only be available to be used in existing projects. New projects set up must use one of the four new norms or the existing My Self Students (2013) norm.

Full norm descriptions will be available on the Members Area prior to release.

## Report Changes

Some minor branding changes have been made to the reports to bring them more closely in line with other Wave-powered products. These changes will be released by the end of January 2020.

Updated sample reports will be saved to the Members Area prior to release.

## Technical Documentation

A new technical summary has been produced to include the My Self instrument, the My Self Career Guidance Report and the My Self Entrepreneurial Report. This technical document highlights the key reliability and validity information.

Detailed user guides are also in development for both reports to assist users.

## Previous Report Versions

Any additional report versions will be retired as at 15<sup>th</sup> February 2020.

If you have used a version of the report which we will no longer be supporting in the last 24 months you will be contacted by our Assessment Updates team.

## Website

Our website is in the process of being updated to reflect these changes.

Should you require support on how to access or use My Self, please contact your account manager directly or [bureau.manager@savilleassessment.com](mailto:bureau.manager@savilleassessment.com).
