Saville Assessment Willis Towers Watson

Our Refreshed Oasys Dashboard

We have recently made improvements to the Oasys Dashboard to further enhance the user experience for candidates.

What are the changes?

Changes have been made to the candidate side of the Oasys platform to improve the responsiveness of the login page and subsequent pages across a range of devices. Changes to the administrator login page have also been made. In order to do this effectively, the pages have a new look and feel.
