

## Assessment Updates Oasys Client Information

### Release of the Wave Building Resilient Agility Report

#### What is it?

We are now ready to release our new Wave Building Resilient Agility Report.

The new report is available from Wave Focus Styles and Wave Professional Styles.

*Two of the pages from the new Building Resilient Agility Report.*

*The full Focus Styles and Professional Styles Sample Reports can be found on our Members Area.*

The report is designed to support any group of employees who want to improve their self-awareness and understand how to better deploy their strengths to increase their Resilient Agility.

The report is particularly suitable for employees who are facing or are likely to face significant change at work.

You can learn more about the key features of this report [here](#).

#### How can I use the new report?

The report is available to all trained Wave and untrained business users. A User Guide will be made available for the report shortly. In the meantime, if you require support on how to use the report, please contact your Account Manager.
