# Oasys Group Overviews

## What are they?

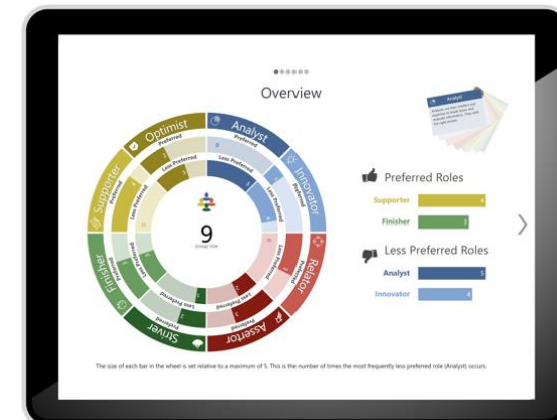

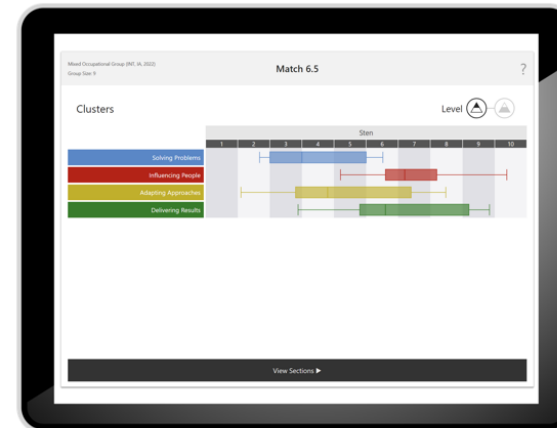

Group Overviews allow you to view an overview of your project participants' data in a dashboard format.

To view a Group Overview, a minimum number of reports must have been previously generated.

- **Aptitude** – to view one of the Aptitude Group Overviews, there must be a minimum of 10 reports generated for a –Rx assessment within a single project.
- **Situations** - to view one of the Situations Group Overviews, there must be a minimum of 10 reports generated for a specific Situations assessment within a single project.
- **Behavior** – to view one of the Behavioral Group Overviews (Wave-I, Wave, Strengths, Leadership Risk, Work Roles), there must be a minimum of three reports generated within a single project. Behavioral Group Overviews are available from all reports, with the exception of Personal Reports and Entrepreneurial Reports.

Group Overview demo links are valid for one month and updated every 2 weeks.

For queries relating to how to use the Group Overview functionality on Oasys, please contact [bureau.manager@savilleassessment.com](mailto:bureau.manager@savilleassessment.com).
