Oasys Functionality & General Product Updates

What is it?

Communications and information about recent and forthcoming Oasys functionality and more general product updates will be added to this document as soon as release information is available.

This will provide all of our Oasys users with details of changes and allow us to roll out updates out more effectively.

For queries regarding roll out please contact assessment.updates@savilleassessment.com.

For queries relating to how to use new functionality on Oasys, please contact bureau.manager@savilleassessment.com.

For more information on any of our new assessments, reports or norms, please contact your Account Manager or info@savilleassessment.com.

New Oasys Functionality Updates

Functionality/Oasys Update	Description	Who it affects	Release Info	Date Info Added to Members Area
<p>Updated 30th April 2024 Automatic Aptitude Resets on Oasys</p>	<p>We are making updates to the way resets are managed on Oasys.</p> <p>The change will allow each candidate one automatic reset for an aptitude assessment, which will be available should they exit the test and then attempt to re-access later. Should the candidate require additional resets, they will need to contact Support.</p> <p>The new reset functionality will not impact existing projects. If you wish to enable automatic resets for an existing project, you can do so via the Edit Projects page.</p> <p>Once released, newly created projects containing an aptitude assessment will have auto-resets switched on by default allowing one automatic reset for aptitude assessments. You can deselect this option during project set-up if you do not wish to have auto-resets applied.</p> <p>This functionality will also be available to clients using assessment via integration.</p> <p>Update 11th April 2024: Currently, the project configuration settings are visible within the Project Details page as a precursor to turning on the auto reset functionality.</p> <p>Update 30th April: The automatic aptitude reset functionality will be switched on and fully operational on 1st May.</p> <p>Full information can be found in the release notes - CRA-Oasys Updates - Saville Assessment and in the relevant Oasys User Guide once released</p>	<p>Clients using Aptitude assessments on Oasys</p>	<p>1st May 2024</p>	<p>8th March 2024</p>

New 17th April 2024 Updating Competency Potential to Skills Potential in Wave Reports	<p>We are updating the language in our Wave model and reporting from 'Competency Potential' to 'Skills Potential'.</p> <p>In our commitment to innovation and alignment with market needs, we are refining our naming conventions within our Wave model. We're transitioning from "Competency Potential," which lacks specificity regarding skill levels, to "Skills Potential." This shift highlights how the Wave model identifies the attributes that predispose individuals to develop particular skills.</p> <p>For a list of all reports that will incorporate this change, please see the appendix.</p>	Candidates	All languages 13 th May 2024	17 th April

Assessee dashboard layout

Before change

The screenshot shows the old dashboard layout. At the top left is the Saville assessment logo. At the top right are navigation links: My Tasks, My Reports, Test User, and Logout. Below the header is a 'Welcome Test User' section with the text 'Your tasks are displayed below.' There are three main task cards: 'Swift Analysis Aptitude' (Status: Created, Completion Time: 18 minutes, Materials: calculator and document icons, buttons: Practise, Start Assessment), 'Professional Styles' (Status: Created, Completion Time: Approx. 35 minutes, buttons: Guidelines, Start Assessment), and 'My Profile' (Date Completed: 11/12/2023 11:41:18, Completion Time: Approx. 2 minutes, button: Update Profile).

Updated view – after change (desktop and mobile)

The screenshot shows the updated dashboard layout. It features a dark blue header with the Saville assessment logo and the text 'Welcome Test User'. A navigation sidebar on the left contains icons and labels for Tasks, Reports, Details, and Logout. The main content area displays 'Your tasks are displayed below.' and lists two task cards: 'Swift Analysis Verbal & Numerical' (Status: Created, Completion Time: 24 minutes, Materials: calculator and document icons, buttons: Practise, Start Assessment) and 'Professional Styles' (Status: Created, Completion Time: Approx. 35 minutes, buttons: Guidelines, Start Assessment). A 'Privacy' link and copyright notice are visible below the task cards. On the right, a mobile view is shown in a white box with rounded corners, featuring the Saville assessment logo, 'Welcome Test User' text, and the same task cards as the desktop view, but with a simplified navigation bar at the bottom containing icons for Tasks, Reports, Details, and Logout.

Before change

The screenshot shows the 'Saville assessment' application interface. At the top, there is a navigation menu with links for Organisation, Role Behaviours, Projects, My Details, My Reports, Administrator, Assessee, and Logout. Below the navigation, the page title is 'All Projects' and the main heading is 'Active Projects Only'. A green button labeled 'Create new project' is visible. A search bar contains the text 'descrip'. Below the search bar is a table with the following columns: Project Name, Description, Project Reference, Created On, Project Type, and Actions. The table contains three rows of data: 'Test Project 3', 'Test Project 4', and 'Test Project 1'. The 'Actions' column for 'Test Project 3' has a blue button with a dropdown arrow. The 'Actions' column for 'Test Project 4' has a blue button with a dropdown arrow, and a white tooltip is visible over it containing the text 'View project details'. The 'Actions' column for 'Test Project 1' has a green button with a dropdown arrow. At the bottom of the table, there is a page number '1'.

Updated view – after change

The screenshot shows the 'Saville assessment' application interface after a change. The layout is identical to the 'Before change' view, but the 'Actions' column for 'Test Project 4' now has a green button with a dropdown arrow. The white tooltip over this button now contains the text 'Project assessees' and 'Project details'. The 'Actions' column for 'Test Project 3' still has a blue button with a dropdown arrow, and the 'Actions' column for 'Test Project 1' still has a green button with a dropdown arrow. The page number '1' is still visible at the bottom of the table.
